## BETTER SUPPORT FOR PUBLIC SCHOOLS

State Superintendent Doughty Makes Final Appeal for Passage of Constitutional Amendment.

To the Voters of Texas:

The constitutional amendment to be voted on by the people on the 7th of November is distinctly an educational amendment and is the only amendment to be considered at that time. One leading feature of the amendment is that it does not impose a tax of itself, but if adopted will give the various districts and counties of the state an opportunity to secure additional support for their schools if they need it and want it.

The amendment was submitted to the people of Texas in response to a widespread demand throughout the state for an opportunity to secure greater support for the schools than is now permitted by the constitution of the state. Many districts in Texas have already reached the constitutional limit of taxation and are yet short of funds with which to provide an adequate system of public free schools.

Inasmuch as the amendment does not levy a tax on any district or county, the voters of such counties and districts as may not need additional support should in good neighborly spirit vote for the amendment, for by so doing they will give the needy districts of Texas an opportunity to establish good schools for their children.

Four hundred and sixty-seven independent school districts and approximately two thousand common school districts in the state have already voted upon themselves the limit in taxation permitted by the present constitution. Many of these districts need additional support and cannot secure another dollar for their schools unless this amendment is adopted. On account of the compulsory school attendance law many schools in these districts are now filled to overflowing with pupils for whom there is no provision for housing, seating or teaching. The only relief for such districts is the adoption of the amendment to Section 3, Article VII, of the state constitution, known as House Joint Resolution 39, to be voted on the 7th of next month. Yours for the schools,

W. F. DOUGHTY,  
State Superintendent.

#### STATE UNIVERSITY NOTES.

Austin, Texas, Oct. 30.—Dr. R. E. Vinson, president of the University of Texas, has had erected for himself a box in front of the bleachers. He has expressed himself as highly pleased with this arrangement, as he will be able in all future games to sit in the roosters' section with his students. He declared he wants to be where he can do the most to help the team win the games.

At their last meeting Tuesday, October 24, the board of regents of the University of Texas passed a resolution providing that the accumulation from the lands given to the university by Col. George W. Brackenridge of San Antonio, amounting to \$6,000, be used in beautifying the university campus. It is intended to have all the driveways covered with several inches of gravel and tarred, and to be strengthened by cement retaining walls.

Charles Rice, a blind boy, who is a freshman in the University of Texas, and who lives in Brackenridge Hall, the dormitory for boys, recently lost a pocketbook containing \$9.55. The spirit of the "B. Hall" boys was shown in the fact that eight-eight of them contributed as much each as he could afford and reimbursed the blind boy for the money lost.

Students of the University of Texas have organized a University Rifle Club, which will be divided into three squads for practice. Squads will go out on Mondays, Wednesdays and Saturdays to the Camp Mabry range for practice. It is expected that the club will have matches with Texas A. and M. College, Oklahoma A. and M., the University of California and Georgia Tech.

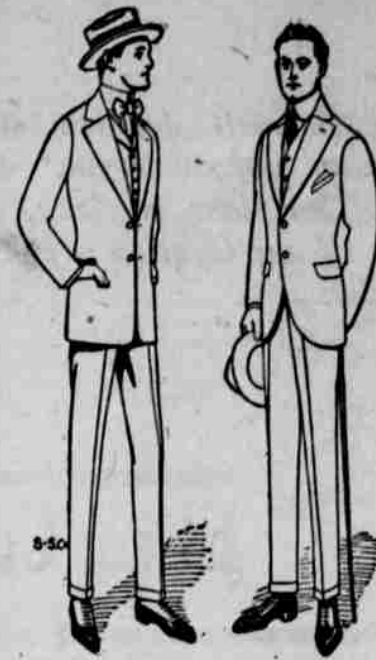

#### PAINTING LAMP POSTS.

Workmen started this morning painting the ornamental light posts on Main street. The color being used is light green and it adds much to the appearance of the posts. The work is not being done before it was needed, as the posts have never had anything in the way of painting except the priming coat.

#### LAUNDRY BUGGY SMASHED.

Late Saturday afternoon a negro from the Brazos bottom, whose name could not be learned, lost control of his team on South Main street and the horses ran away. In passing the American steam laundry the runaway ran into a laundry buggy belonging to this establishment, totally demolishing it. No one was hurt.

#### DIED IN BEAUMONT.

Mrs. J. E. Josey, Formerly of This City, Passed Away Last Night.

A message was received in this city this morning by Mr. John M. Lawrence, announcing the death of Mrs. J. E. Josey, which occurred some time during the early part of last night. Mrs. Josey was formerly Miss Kate Lenoir of this city and was the daughter of Mrs. I. J. Derden, who made her home with her daughter for the past several months. The telegram only stated that Mrs. Josey was dead and that the burial will take place tomorrow in Huntsville. The death of Mrs. Josey will be sad news to many people in Bryan who have known her from childhood. She has quite a number of relatives in this city.

#### ANOTHER VETERAN DEAD.

Kyle, Texas, Oct. 30.—W. P. Smith, aged 76, for more than 30 years a citizen of Hays county, died of cancer at his home, 12 miles northwest of Kyle, Friday and was buried in the Butler cemetery, near his home. He leaves a widow and 15 children.

Mr. Smith was a member of the Fourth Texas Infantry, which served in Longstreet's division. He was captured at Gettysburg, imprisoned at Fort Delaware, where he remained until the close of the war.

It isn't work that kills. It's the worry caused by having to work that increases an undertaker's balance.

Family Dr. says:  
**Care for your Hair.**

LADIES: HAS YOUR HAIR BEGUN TO COME OUT? IF SO DO NOT DELAY FEEDING ITS ROOTS WITH OUR HAIR TONIC. ONCE GONE, HAIR MAY BE RESTORED BUT IT IS A HARD TASK. THE PRUDENT THING TO DO IS TO NOURISH YOUR BEAUTIFUL HAIR "WHILE YOU STILL HAVE IT."

HER HAIR IS A WOMAN'S "CROWNING GLORY."

GENTLEMEN: THERE IS NO NEED FOR YOUR BECOMING BALD. IF YOUR HAIR HAS STARTED TO TUMBLE BEGIN "RIGHT NOW" TO SAVE IT WITH OUR HAIR REMEDIES. BETTER STILL CARE FOR YOUR HAIR "BEFORE" IT STARTS TO GO. WE HAVE THE TONICS ON WHICH YOU CAN RELY."
